#NAMEGATE

The Universal Political Scandal

All 'Authority' Is Null & Void

Why?

- Each VOTER Registration is FRAUDULENT as the Legal Name/I.D. is used in order to register to vote. Therefore, as it is true that any/all use of a Legal Name is FRAUD, which is ILLEGAL, it follows that ALL registered voters' papers are FRAUDULENT! Which means ALL their VOTES were/will be FRAUDULENT too!
- Once a FRAUD is revealed, ALL contracts, ALL document, ALL actions resulting from the initial FRAUD are rendered NULL & VOID – from the beginning – Ab Initio, Nunc Pro Tunc. FACT: There is NO Statute of Limitations on the CRIME of FRAUD!
- All of the above are Legal facts resulting in the biggest SCANDAL in history – EVER! Forget all those other political scandals which toppled careers and whole governments! This is the root: #Namegate! Nobody in any position/office has the legal right to be there if they claim they were 'voted into office' via registered voters. Or they must prove how illegally-obtained votes, via Legal Name Fraud, can become legal votes!
- There is NO legitimate government, president, prime minister, politician, mayor, etc. All public offices which heretofore claimed a position of 'authority' are no longer able to make such claims. There is NO legitimate authority anywhere. The Legal Name Fraud Scandal, what is known as **#Namegate**, is PROOF positive the whole construct of the control system/government, political influence and decision-making is now at an end. NULL & VOID!
